

ANNOUNCEMENT

The "De Giorgi Research Centre", with the support of the "Consorzio Interuniversitario per l'Alta Formazione in Matematica", announces **15 one-week supports of Euro 400,00 each** to participate in the intensive research period on "**The Scientific Revolutions of the XVI and XVII Century**" (September 12 - December 14, 2005).

Each grant is meant to support a one week stay, but candidates can apply for more than 1 week.

For further information, see also www.crm.sns.it

Requirements:

The competition, based on academic qualifications only, is open to young scientists who graduated in Physics and Mathematics in the past ten years, and in any case not later than **September 12, 2005**.

Application procedure:

Candidates should send their application (see the attached form), together with:

- a curriculum vitae including a list of publications (if any);
- any further information they consider to be relevant (courses/schools on mathematical subjects attended, prizes and fellowships, letters of reference (max. number 2, etc.).

They also have to specify the number of weeks and the precise period they intend to attend.

Deadline for submission of applications:

Applications, together with all the required documents, must reach the Center **not later than 12 hrs. on July 5th 2005**.

Applications by FAX and e-mail will not be accepted.

The list of the admitted candidates will be published on the web by July 15 2005.

Duties of the admitted candidates:

The awarding of the fellowship will be communicated by e-mail. Admitted people are required to attend the programme on a full-time basis and expected to arrive at the beginning of the week. In addition to the fellowship grant, fellows will be also entitled to free board at the Scuola Normale's Cafeteria.

Applications should be sent to the following address:
