

ANNOUNCEMENT

The "De Giorgi Research Centre", with the support of the "Consorzio Interuniversitario per l'Alta Formazione in Matematica", announces **6 one-month supports of Euro 1,500.00 each** to participate in the intensive research period on **"Calculus of Variations and Partial Differential Equations"** (September 1 - December 15, 2006).

For further information, see also www.crm.sns.it

Requirements:

The competition, based on academic qualifications only, is open to young scientists who graduated in Physics or Mathematics in the past ten years, and in any case not later than September 1, 2006.

Application procedure:

Candidates should send their application (see the attached form), together with:

- a curriculum vitae including a list of publications (if any);
- any further information they consider to be relevant (courses/schools on mathematical subjects attended, prizes and fellowships, letters of reference, etc.).

Deadline for submission of applications:

Applications, together with all the required documents, must reach the Center **not later than Friday March 31st 2006**. Applicants should indicate approximately the month in which they want to attend the programme.

Applications by FAX and e-mail will not be accepted.

The list of the admitted candidates will be published by **April 14, 2006**.

Duties of the admitted candidates:

The awarding of the fellowship will be communicated by e-mail. Admitted people are required to attend the programme on a full-time basis. In addition to the fellowship grant, fellows will be also entitled to free board at the Scuola Normale's Cafeteria.

Applications should be sent to the following address:

*Centro di Ricerca Matematica Ennio De Giorgi
Collegio Puteano, Scuola Normale Superiore
Piazza dei Cavalieri, 3
56100 PISA - Italy*

Further information can be retrieved by writing to the address
crm@crm.sns.it
